GST No. 24AAACT4053B1ZY

TERMS AND CONDITIONS OF Tender for Job Work of Ginning & Pressing for Cotton Season 2018-19

i) The tender form duly filled in, in all respects and signed by the Authorized Signatory, should be submitted in a sealed cover inscribed **"Ginning and Pressing tender for cotton season2018-2019"** within the stipulated time and date. Tender forms received after the stipulated time and date, will not be considered.

ii) All columns in the tender form should be filled in clearly and legibly. Tender form found as incomplete in any respect, may be rejected at the discretion of the Corporation.

iii) Mere submission of the tender form does not entitle any factory to be engaged by the Corporation.

iv) Other things being equal and meeting the requirements of the Corporation, preference will be given to factories offering the lowest ginning and pressing rates. However, rates shall not be the sole criteria for engagement of factories and other factors like quality of work by the factory, extent of modernization and past performance etc., shall also be considered.

v) L1 factory shall be considered for hiring provided they it meets the minimum standards required as per the tender terms. When more processing facility is required at the centre then on need basis the L2/L3/L4 & so on factory could be engaged provided they agree at the rates of L1. G & P Rates being the same, the Corporation will consider hiring of ginning and pressing factories in the following order of preference :

(a) Modernized composite ginning & pressing factory through TMC assistance and certified by Textile Committee.
(b) Modernized composite ginning & pressing factory other than TMC assistance and certified by Textile Committee.
(c) Modernized composite ginning & pressing factory through TMC assistance.
(d) Modernized composite ginning & pressing factory other than TMC assistance.
(e) Composite G&P factories in MSEs / Co-operative sector / other institutions.
(f) Composite G&P factories with track record of good performance.
(g) G&P factories willing to give their full capacity on exclusive basis to CCI.

Note: Online Modern Factories, Factories having power supply through express feeder and the Factories having diesel generator sets shall have added advantage.

vi) Ginning & Pressing rates announced by the State Government, if any, under any act in force are the maximum rates. Hence it is made clear to all the parties that the CCI will pay the rate finalized with CCI or the rates fixed by State Govt. whichever is lower.

vii) In the event of Corporation finalizing to hire the ginning and pressing factory, the concerned factory will have to enter into an agreement with the Corporation in the prescribed form with acceptance of all its terms and conditions. The factory will also submit a copy of partnership deed/ memorandum of article/ memorandum of association as the case may be.

viii) In case the L1 tenderer refuse to work at the rates quoted by him, such factories shall not be awarded any work for at least one year i.e. next cotton season.

ix) All the pages of the Tender Form as well the Terms & Conditions should be signed by the factory owner.

x) In case, Bidder has any query about the bidding conditions and/or bidding process - may seek comments from the Branch Office. Further in case, if any bid is rejected or a tender document is not issued to prospective Bidder - may seek the reasons for rejection from Branch Office.

xi) CCI reserves the all rights to reject any tender if any information to be found false and misrepresentation mentioned in Technical Bid by the tenderer during the course of inspection/survey of the factory conducted by the Corporation's Officials .

xii) The engaged ginning & pressing factory will have to give minimum lint of 33% on the kapas supplied to it by the corporation from the beginning of purchases, Trash % should be maximum 2% for central and southern zones and 4% for northern zones. The factory should also ensure that there are no yellow pickings, cut seeds / full seeds etc. in the bales processed by them. In case lint % is less than of 33% and trash % is more than prescribed limits proportionate recovery will be made based on the prevailing market rate of lint, as decided by the corporation, from ginner's bills.

DECLARATION

I/We hereby confirm that the above clauses have been read and noted and we agree to abide by all the above Terms and Conditions.
