DETAILED TERMS & CONDITIONS FOR APPOINTMENT OF CLEARING & FORWARDING AGENT / AGENCY INCLUDING (I) PHYTOSANITARY & FUMIGATION (II) WEIGHTMENT & INSPECTION OF COUNTRY DAMAGE OF COTTON BALES MEANT FOR EXPORT TO BANGLADESH BY ROAD (VIA PETRAPOLE).

The interested Clearing & Forwarding Agent must fulfill the following basic requirements:-

1. The interested parties should have authorized license from custom authority to act as a C&F agent or their sister concern or associates must have such custom license and in that case they should be authorized by their such sister concern/associates to utilize their services for processing export documents in respect of cotton bales. They should also have at least five years working experience as a C&F agent for export of F.P. cotton bales, either by sea or by road. In case, the parties are not having custom license of their own an authorzation letter from their sister concern/associates confirming association with the party and undertaking the responsibility for processing document on behalf of the party making the quotations should be submitted alongwith the tender.

2. A certificate from the Banker of the interested parties with mention of regular and satisfactory financial transaction and a certificate from the principal authority with whom they have worked should be enclosed with quotation.

3. The interested parties must have Trade License, GST No. and Income Tax Returns Certificate of last three years. A photo copy of all the above latest Certificates must be enclosed with the quotation.

4. The interested parties must have their own telephones at Office and Residence.

5. The interested parties must submit IBA approved Transporter's Name & address whose Truck Receipt(Consignment Note) shall be given by the C&F Agent. A copy of the latest approval Certificate of IBA issued in favour of such transporters is required to be submitted alongwith the Quotation

6. EMD of Rs.50,000/- must be attached with Technical Bid. It must be by way of Demand Draft/ Bankers' Cheque in favour of The Cotton Corporation of India Limited, payable at Kolkata.

The various jobs involved under this Clearing & Forwarding work will be as follows:-

1. Processing of Shipping documents with the Customs Authority including arranging for payment of Customs duty, Octroi, Cess, if any.

2. To place required number of trucks as per the shipping document at our Godown and unloading of bales at Benapole.

3. To carry out weighment of each truck just after loading outside our godown and then just before physical shipment at port of Export.

4. Obtaining bill of lading/consignment note from the shipping company or transport contractor and submit to CCI Office as per requirement.

5. Supervision of loading of bales from the godowns and transportation upto Benapole for shipment.

6. To arrange appraisal and passing of documents with physical crossing of the consignment after proper endorsements in Shipping Bills.

7. To co-ordinate with the Corporation in timely shipment of bales and act according to the instruction of the Corporation.

8. To assist and provide necessary information in lodgement of claim with the concerned authorities for loss or damage of cotton bales during shipment process if any.

9. To obtain Certificate of Origin from Chamber of Commerce.

10. To submit exported document with relevant copies of Shipping Bills , original Truck receipt alongwith non-negotiable copies and all other relevant documents in original as well as additional copies in the next day of physical export of consignment.

11. To return export authorization certificate after physical export duly endorsed by Customs authority showing Shipping Bill No.,Quantity Shipped and balance quantity thereof.

12. The rates to be quoted should be per bale basis(weighing 170.00 Kgs. approx at avg.) including loading charges at our godown and unloading charges at Benapole for the shipment from the following places to Benapole :
    a. CWC Godown, Uluberia, Howrah
    b. Any other godown located in and around Kolkata,Howrah,Hooghly, North 24 Pgs.

13. All the lorries loaded with cotton bales, as soon as out from our godown, will be weighed over in the weigh bridge available just outside our godown and also on the date of crossing border at Petrapole CWC Parking and the Truck Driver shall carry both the weight Certificates of the loaded truck to Benapole. Buyers' C&F Agent may take re-weighment of such loaded truck at the weigh bridge available at port of discharge. Any loss, damage or shortage in transit, C&F Agent will be responsible and shall make good of the same. Under no circumstances bales with abnormal shortage noticed on two weighment than invoiced weight shall be exported and the same should be reported to office immediately. Copies of all such weighment slips shall also be submitted to this office

14. If necessary, Clearing Agent will have to ensure lifting upto 1000 bales everyday

15. Clearing Agent will have to give prior intimation regarding lifting of the bales from our godown enabling the Corporation to arrange for keeping the godown open and deputing our representative to deliver the bales.

16. On no account the Corporation will pay any detention charges of trucks for any reason in case there is delay in unloading the consignment

17. The Clearing Agent will arrange for submission of necessary Bond in case of any documents needed by Custom Authority for passing of shipping Bill. The Corporation will however arrange for the documents in the meantime.

18. All the lorries carrying cotton bales from our godown(s) should be covered by sufficient tarpaulins. In case, any bale is damaged due to non-coverage by tarpaulins the loss will be recovered from the Clearing and Forwarding Agent.

19. All the lorries and containers carrying cotton bales from CCI warehouses to Land port of dispatch should carry necessary documents like shippers invoice etc. in case of any damage in transit inform CCI about the same for arranging insurance survey and C&F will assist CCI to lodge the insurance claim.

20. All quotations should be accompanied with a Bank Draft of Rs.50,000/- in favor of this Corporation payable at Kolkata towards Earnest Money Deposit which will be retained by us as Security Deposit free of interest in case of successful bidder while same will be returned to unsuccessful bidders.

21. Once the quotation is accepted the clearing agent will have to deposit further Rs.2,50,000/- by way of DD/PAY ORDER in favor of the Corporation within seven days from the date of communicating the acceptance towards Security deposit free of interest. Thus the total Security deposit will stand to Rs.3,00,000/- free of interest.

22. The description of work mentioned above is illustrative and not exhaustive and they will have to consider all incidental works in giving their rates. They will also confirm that no additional charges will be payable for any other miscellaneous jobs connected with the handling of export works except Statutory Charges if applicable which will be reimbursed on production of original receipt.

23. After successful export of the consignment the C&F Agent shall submit their bills in duplicate duly supported with copy of shipping Bill. GST as applicable on each of the job shall be claimed in the bill which will be paid to the C&F Agent. The Corporation will deduct Income Tax wherever applicable on the payment made to the Clearing Agent.

24. The necessary requirement for various job works are as follows:-

I. ***Phytosanitary and Fumigation***
