PART-III

1. For Cleaning & Re-Pressing

Providing of required number of labourers for cleaning of lint before feeding in the opener and re-pressing of bales have to fully covered with new iron hoops(18/19 gauge, 1/2" width) / polyester strappings (width 19.05 mm, thickness 1.27 mm , conforming to type II of IS 15559:2004, colour green) to be arranged by the factory and with 100% cotton cloth (20X20 count, 48X40 R&P, 127 cm width, weight 122 gms per Sq.Metres) to be arranged by the corporation/Ginning and Pressing Factory, with stitching and covering of bales from all sides including top and bottom and it's by a cotton thread/twin evenly spaced and properly made. The distance between two stitches shall not exceed 30 mm. The Gap between two patties should be uniform and there should be no bulging of bales at ends. If necessary, factory should use extra iron hoops/Plastic strips to avoid bulging of bales. Besides handling of lint stocks beginning from opening of lint boras/boundaries till stacking of bales after marka and weighment and all other allied work during the course of pressing of lint into bales including lint opener and loading of fully pressed bales for transportation to CCI hired Godowns.

The weight of re-pressed bales should be in accordance to the weight of lint/broken bales provided for repressing considering the shortage due to puttha/moisture. Puttha lint if any should be segregated and has to be press separately to make bale and handed over to The C.C.I. Ltd. after completion of pressing work.

If situation requires on need basis the following works has to be done.

Filling, Stacking, De-stacking, Weighment of Cowdy / Ginjump/ wastage, Empty lint bora restitching, Turning over of Cotton bales, coverage of lint, bales by tarpaulins.

I/We have gone through the detailed terms and conditions for hiring of G&P factories by the Corporation and agree to carry out the complete processing work as per standards and requirements of the Corporation.

Re-Tender for Job Work of Cleaning & Re- Pressing of F.P. Cotton Bales.

TERMS AND CONDITIONS

i) The tender form duly filled in, in all respects and signed by the Authorized Signatory, should be submitted in a sealed cover super scribed as " JOB WORK OF CLEANING & RE- PRESSING OF COTTON F.P. BALES " within the stipulated time and date. Tender forms received after the stipulated time and date will not be considered.

ii) All columns in the tender form should be filled in clearly and legibly. Tender form found as incomplete in any respect, may be rejected at the discretion of the Corporation.

iii) Mere submission of the tender form does not entitle any factory to be engaged by the Corporation.

iv) L1 factory shall be considered for hiring provided it meets the minimum standards required as per the tender terms. When more processing facility is required at the centre then on need basis the L2/L3/L4 & so on factory could be engaged provided they agree at the rates of L1.Cleaning & re-pressing rates being the same, the Corporation will consider hiring of ginning and pressing factories in the following order of preference:

(a) Modernized composite ginning & pressing factory through TMC assistance and star rated by Textile Committee.
(b) Modernized composite ginning & pressing factory other than TMC assistance and star rated by Textile Committee.
(c) Preference will be given to Modernized composite ginning & pressing factory registered under better cotton Initiative (BCI) programme.
(d) Modernized composite ginning & pressing factory through TMC assistance.
(e) Modernized composite ginning & pressing factory other than TMC assistance.
(f) Composite G&P factories in MSEs / Co-operative sector / other institutions.
(g) Composite G&P factories with track record of good performance.
(h) G&P factories willing to give their full capacity on exclusive basis to CCI.

Note: Online Modern Factories, Factories having power supply through express feeder and the Factories having diesel generator sets shall have added advantage.

v) The tenderer will have to comply with any subsequent amendment of law / gazette notification given by Govt of India.

vi) In the event of Corporation finalizing to hire the ginning and pressing factory, the concerned factory will have to enter into an agreement with the Corporation in the prescribed form with acceptance of all its terms and conditions. The factory will also submit a copy of partnership deed/ memorandum of article/ memorandum of association as the case may be.

vii) In case the L1 tenderer refuse to work at the rates quoted by him, such factories shall not be awarded any work for at least one year i.e., next cotton season.

viii) All the pages of the Tender Form as well the Terms & Conditions should be signed by the factory owner.

ix) In case, Bidder has any query about the bidding conditions and/or bidding process - may seek comments from the Branch Office. Further in case, if any bid is rejected or a tender document is not issued to prospective Bidder - may seek the reasons for rejection from Branch Office.

x) Payment will be made after receiving of bill and satisfactory completion of cleaning and re-pressing work.

DECLARATION

I/We hereby confirm that the above clauses have been read and noted and we agree to abide by all the above Terms and Conditions.
