SCOPE OF WORK

The scope of this tender covers the furnishing of all materials, equipment, plant, labour scaffolding company applicator, transport, tools and services for the works of **Repair and replacement of damaged Existing Fire-Hydrant underground pipeline and allied works at Kapas Bhavan, CBD Belapur, Navi -Mumbai-400 614** As per Bill of quantity.

1. The quantum of work involved is given in the bill of quantities, however it shall be clearly understood that the quantities are only approximate and meant for the purpose of tender comparison only and no claim whatsoever, will be entertained by the OWNER if the actual quantities of work differ from those indicated in the schedule or if any items of work are deleted from the schedule either partly or wholly, nor shall any claim be put forward by the contractor on grounds of overheads and or loss of anticipated profit etc.
2. The item rates quoted in the bill of quantity should also remain valid for a 25% (Quantum of work) Plus or minus variation in the quantity of work awarded and plus or minus 10% of total contracted value.
3. The work should be carried as per approved scope of work listed in the Bill of Quantity''. Should there be any circumstances warranting change in the scope of work, then same should be effected only after prior written approval of the Competent Authority.

TERMS AND CONDITIONS:

1. Party/ tenderer shall visit the site before giving its bids, to avoid any confusion.
2. The offer shall remain valid for a period of **60** days from the last date of submission of tenders.
3. Evaluation of technical Bid-I shall be as per elegibility criteria and finacial Bid-II of the tenderer shall be opened only if it qualifies the technical Bid-I .
4. Earnest Money deposit amounting to **Rs. 7820/- (RUPEES SEVEN THOUSAND EIGHT HUNDRED TWENTY ONLY**) in the form of Crossed Demand Draft/Pay Order/NEFT drawn on any nationalized/scheduled Banks in favour of The Cotton Corporation of India Ltd., payable at Mumbai must be accompany the technical Bid-I. MSE's registered firms shall enclose self-attested copy of registration for exemption of EMD for participating in tender, however, if work is allotted, then EMD has to be deposited within 05 working days from date of issue of work order .
5. If the tenderer neglects or refuses for their rates quoted after submission of their tender to comply with the above conditions or any of them, the earnest money deposit already paid shall be forfeited and the party may be blacklisted/debarred by the Corporation. This is applicable in case of the party surrenders it self himself from their rates quoted and not ready to execute even if fit for award of work by the corporation or back out from the work by keeping it incomplete.
6. All the approved rates shall be inclusive of all material, labour, transportation, scaffolding etc. complete. The quoted rate shall be in Indian currency i.e. in Rupees. (exclusive of GST as applicable)
7. Complete work as per technical specifications should be completed within 30 **days** from the date of issue of order. If work is not completed within stipulated period then penalty @ rate of 01 % will be imposed on per week basis delay subject to a maximum of 10 % of total amount of the work order.
8. The successful tenderer shall have to make payment of 10 % value of the work order towards security deposit. 50 % of the security deposit inclusive of EMD shall be made within 5 working days from the date of work order and balance 50 % shall be recovered from the Bill of the tenderer, which shall be kept as interest free security deposit and shall be released after satisfactory completion of one year defect liability period from date of completion of work

9. No escalation clause shall be considered for any rise in material, labour or other inputs etc. Similarly, no extra unit rate shall be considered in case of **increase** or **decrease** in quantity of individual items. The party shall have to complete the same within the accepted rates.

10. The electricity and water will be given free of cost to the contractor from the available source. In case it is not available then the contractor shall have to make their own arrangement for the same to avoid the delay in completion of work.

11. The tenderer will have to make full proof arrangements of required TOOLS & TACKELS for the work.

12. The site must be cleaned after execution of the work. Dumping of debris at appropriate location.

13. The Corporation shall release payment as per actual work done in ONE SINGLE BILL, after satisfactory completion of work and certified by Engineer In charge.

14. The defect liability period of 12 months shall be from the date of completion of works as certified by the Engineer In Charge. The security deposit will be withheld with the corporation till the satisfactorily completion of defect liability period.

15. The work will be executed as per the work order and as per the directions of the Engineer In-Charge.

16. Extension of time for completion of work shall not be granted except for natural calamities and other unseen reasons. However, the contractor shall take proper approval from the Engineer In Charge in writing.

17. The work shall be carried out by taking prior approvals for shutdown from the Corporation. Further, any permission from MSEDCL or any other authority shall be the sole responsibility of the contractor.

18. All the statutory permissions required/liasoning/documentation for carrying out the said work from the local bodies/MSEDCL etc. shall be the sole responsibility of the successful tenderer.

19. Only substantially responsive Bids will be checked by the corporation for any arithmetic errors. Errors will be corrected by the Owner as follows :
    I. In case of lump-sum bid, if there is any discrepancy between the offer quoted in figures and in words, the lower of the two will be treated as the offer.
    II. In case of item rate bid, if there is any discrepancy between the rates in figures and in words, the rate in words will govern and where there is discrepancy between the unit rate and the line item total, resulting from multiplying unit rate by the quantity, the unit rate as quoted will govern.
    III. If there is any arithmetical error in totaling of individual items, the correct total shall be computed by the Owner and the same shall govern.

20 For any damage or injury to any third party or labour is the sole responsibility of the contractor and the Corporation is not responsible for any payment of compensation. The contractor is fully responsible of all such risks and compensation.

21. In case of any dispute or difference arising out of or in relation to this work, same shall be governed by The Arbitration & Conciliation Act 1996 and further ammendment if any. An Arbitrator (other than an employee of the Corporation) to be appointed by the Competent Authority of The Cotton Corporation of India Ltd., whose decision shall be final and binding upon the parties.

22. The legal jurisdiction for the purposes of this sale shall always be at Navi Mumbai.
