Please note that the Corporation will engage only those godowns having CCTV cameras.

Dy. General Manager

T E R M S & C O N D I T I O N S

Sealed Tenders are invited from reputed and well constructedgodowns/warehouses owned by individual, Corporation, Institutional Private Godown owners, service providers for storage of Fully Pressed Cotton Bales of the Corporation under the jurisdiction of Branch Office, Warangal in Telangana State. Tenders should reach this office on or before 17.09.2020 up to 3.00 P.M.

1. Tender should be submitted in two bid system A & B in two separate sealed envelopes duly marked as "Bid-I (Technical) and Bid-II (Financial)" and then place the two sealed envelopes in one ENVELOPE-C duly sealed and superscribed as **"TENDER FOR HIRING OF PRIVATE GODOWNS FOR STORAGE OF F.P.COTTON BALES FOR 2020-2021 SEASON"** addressed to Dy.GeneralManager, TheCotton Corporation of India Ltd., Warangal and should reach on or before **17.09.2020** up to **03.00 P.M** and the tender shall be opened on the same day at **03.30 P.M.** in the presence of tenderers who remain present at that time.

2. Preference will be given to godowns having large storage capacity at single location.

3. The tenderer must have PAN allotted by Income Tax Department.

4. **The rate should be quoted per bale per month basis inclusive of all taxes/Cess etc. exclusive of GST.**

5. The contract will be effective from the date of occupancy of the particular godown.

6. Once rates are finalized, no escalation in the rates will be accepted during the contracted period for any reason and no extra charges shall be paid by the Corporation.

7. Tenders should be submitted strictly in the prescribed tender form along with terms and conditions which can be had from Branch Office during working hours on any working day on payment of Rs.112/- (Rupees One Hundred Twelve only) on or before 17.09.2020 up to 12.30 P.M. **Those who are downloading the tender forms from the website shall have to pay Rs.112/- (Rupees One Hundred Twelve only) by way of D.D. in favour of "The Cotton Corporation of India Limited, payable at Warangal and submit the same to Branch Office along with tender form. Tenders having valid MSE'S certificate are exempted**from payment of tender fee & EMD. MSE'S Certificate should be relevant to the nature of work of this tender.

8. All columns in the tender form should be filled clearly and legibly. Tender form found incomplete in any respect is liable to be rejected.

9. The Godown should be well constructed, with **proper pakkaapproach roads** from main road to all loading points in the godown. Godown should also have **pakka compound wall** on all four sides and it should be as per insurance norms. If there is any delay in giving delivery of F.P bales by way of trucks/containers getting stuck up in the godowns due to lack of proper pakka roads in the godowns, or for any other reason, then any charges incurred to the corporation due to delayed delivery or any other charges incurred will be recovered from the godown rent bills payable.

10. **The rent of the godown shall be calculated at the rate of per bale per month basis excluding GST. The payment shall be made on pro-rata basis only.** Payment will be made within 10 days of receipt of bill at branch, by way of RTGS/NEFT.The tenderer shall have to raise the monthly bill on the rates finalized by the corporation and payment will be made after statutory deductions.Monthly bill shall have to be forwarded to Branch Office through CCI representative posted at respective Godown. To calculate the rent, stock (Number of bales stored) on weekly basis on 7th, 14th, 21st, and 30th date of the month shall be taken as bales stored in the month for payment of the rent during the storage as well as during the delivery.

11. The godown should have proper and **adequate firefighting facilities** as stated below –

    - Continuous water supply source such as well, tube well, bore well, underground/overhead tank.
    - Fire extinguishers with valid expiry date @ 02 per shutter.
    - Water drums @ 02 per shutter.
    - Sand buckets @ 03 per shutter.
    - No smoking boards in prominent wall of the Godown.

12. **Vacating of godowns: The rent shall be applicable on per bale basis till the entire stock of the corporation is vacated from the godown. The godown shall be vacated at any time during the contract period without prior notice.**

13. The godown should have facilities such as **office, watchman, weighbridge** and all other facilities as may be required for the purpose of storage of the bales. It is agreed and clarified that the godown owner shall not levy any charge for such facilities by way of rent or otherwise and no such charges whatsoever shall be payable by CCI for providing such facilities. Weighment of CCI Stocks will be done at the weight bridge of the Godown free of cost.

14. The godown should have **proper pakka approach road** for easy movement of container trucks inbetween the godown compartments for movement of 40ft containers for loading duringexport purpose.

15. It should also be ensured that floor of the godown is pukka and level is also not low, so as not to expose the FP bales to risk of damage by flood/water etc.

16. At the time of agreement,Godown owner should give **undertaking** that there will be no interference from local Truck association / anti-social elements or any other disturbing elements at their godown premises which may hamper smooth dispatch of F.P.Bales/CCI Stock.

17. Corporation will give priority to the godown offered with minimum capacity of 5000 MT

18. Godowns should have **CCTV cameras** at all the important points such as entry and exit points with atleast one month back up facility. The godown owner should ensure that there are no electric installations such as wires, circuits inside the godowns in a manner which would affect the safety of CCI's stocks inside the godowns. If CCTV is not available at the time of tender then theGodown Owner will have to ensure that requirement is fulfilled before agreement of the Godown.

19. Godowns offered to the corporation should preferably be with equally well partitioned pucca compartment.

20. Proper stacking plan should be attached along with the tender mentioning each lot of 100 bales lot stacking and number of bales that can be stored. The stack should not be more than 7 stack height. However, the stacking plan shall befinally decided by CCI representative. At least 2 ft gap should be left in between the lots and while preparing stack plan, godown owner should prepare the stack plan by considering the gap between the lots. The stacking plan should be prepared by ensuring that a gap of 2 feet is maintained from the wall to each lot and also 2 feet gap in between each lot. No lots should be stacked near the shutters. If any wrong stacking is done in violation of the above norms, then the same lots would be re stacked at the owners risk and cost.

21. The godown should have **adequate and proper arrangements for water storage** and **continuous water supply** to the scheduled property and also make bore-well arrangements duly fitted with working power water pumps to facilitate proper firefighting operations in case of need and also keep ready all other firefighting arrangements / equipment's which may be required in case of any emergency.

22. There should not be **electric connections** in the godowns. While engaging the godowns, the godown owner should obtain a certificate from local electrical departmentmentioning that all the electrical wires are disconnected and there is no electricity inside the godowns. The certificate should be submitted to the Corporation at the time of engaging the godowns.

23. There should not be any **water leakages** inside the godown and if any damage to the stock occurs due to water leakages then the same shall be liable to be recovered from godown owner/management. In case of any repair required for the godown, the same should be repaired without any delay. All the windows of the godowns should be closed from inside without any holes or scope of entry. All the ventilators (upper side and windows) should be sealed properly with meshes so that no birds such as pigeons shall enter inside the godowns. In case any such deficiency is observed, the godown owner is liable to bear the penalty as imposed by the Corporation. The loss caused to the Corporation's stock will be recovered from the godown owner/management/service provider.

24. The godown owner should provide **dunnage material** free of cost prior to stacking of bales so that the lower layer of bales does not get affected by dust/water. The godown owner should also ensure that the godown space to be provided to corporation for storage of FP bales is handed over with well neat and clean condition.

25. Sufficient **Trolleys** and adequate arrangements for the weighment of the goods of CCI should be made by the godown owner and he shall also maintain adequate number of weighing scales duly certified by the Weights & Measures Department of the Government.

26. The godown owner shall bear and pay regularly the lease rent, if it is on lease land revenue, property tax, non agricultural tax and/or other taxes and outgoings payable with respect to the scheduled property and shall ensure that no such taxes/outgoings shall remain in arrears at any point of time. Further, the godown owner hereby agrees and

undertakes to keep the scheduled properly during the pendency of this agreement free from all encumbrances, claims and demands of whatsoever nature.

27. Insurance of stocks shall be covered by the Corporation and the godown owner will ensure and keep the scheduled property insured during the period of this agreement at their own costs and expenses and shall give a copy of Insurance Policy and renewals thereof to the CCI for its record. In case of any mishap the Corporation will not be liable to make good the losses if any to the godown.

28. The lock & key of the godowns shall be under the custody of CCI. In case of management under CWC, Lock & Key would be under the custody of CWC Management.

29. The godown shall be hired on the basis of requirement, its cost effectiveness and after inspection for suitability of storage of Corporation's stocks and the decision taken in this regard by the Corporation shall be final and binding on all.

30. Before engaging the godown, survey will be done by CCI officials. Only after the godown is found to be satisfactory in the survey, then only agreement will be made with the godowns which are found to be satisfactory.

31. Godown owner/management should have their own hamalies or they should ensure that sufficient hamalies remain available at godown premises for Corporation's work. The Corporation will engage the labour contractor for job work at hired godowns for handling of bales in due course.

32. In case the godown owner is the **labor contractor for the godown,** then the loading rates for CCI buyers will be the same as that of the rates of F.P bales quoted by the labour contractor for CCI and there should not be any escalation in the F.P bales loading rates for the CCI buyers.

33. The godown owner shall ensure that the job work contractor to take worker's insurance policy with the Insurance Company by paying premium and they shall not claim any amount on account of this from the Corporation. Corporation is in no way responsible for any accident, during the contract period and the job work contractor/ Godown owner will also not claim any compensation for the same from the Corporation.

34. The godown owner shall have to follow all the acts/ rules applicable in the State of Telangana pertaining to warehouses and the Corporation will be not responsible for any violation of the same. Godowns lacking in any of the required infrastructure Facility, then necessary deduction, would be made as per the deduction chart enclosed.

35. Godowns lacking in any of the required infrastructure Facility would be liable for deduction as per the enclosed deduction chart.

36. The godown owner has to enter into an agreement on Rs.100/- non judicial stamp paper after confirmation by the Corporation. The agreement shall commence in force from the date the Corporation enters into possession of the schedule property for storage of its bales and shall terminate immediate on the next day of final delivery of goods of the schedule

property. The godown shall be vacated at any time during the contract period without prior notice.

37. CCI reserves its right to accept or reject partly or fully any or all tenders without assigning any reason thereof, but on enquiry reasons for rejection of tender will be informed.
