MESSAGE

In accordance with the CVC guidelines this year, We, The Cotton Corporation of India Limited has organized Vigilance Awareness week with the theme "Satark Bharat, Samridhd Bharat" / "Vigilant India, Prosperous India" during the period 27.10.2020 to 02.11.2020 with much enthusiasm and zeal. I appreciate the endeavor rendered by each and every Branch Head and the vigilance team to reach out to every employee of the organization and outreach.

The Cotton Corporation of India Limited being a nodal agency of Government of India under Ministry of Textiles with prime job of procurement of Kapas under MSP mainly from farmers. This entire multilayered process from procurement of Kapas till sale of Bales and Cotton seed meet several challenges involving human resource and financial aspects as well. The role of vigilance in the Corporation is to weeding out corruption from the system and direct it towards the path of progress, may it be in the way of preventive or in punitive way.

The prime intention of Vigilance is not punitive but rather preventive. Through preventive Vigilance the Corporation will be able to achieve higher level of transparency and efficiency. And to make a transparent and corruption free environment it is prudent to bring systemic changes in the existing procedures in the Corporation like maximum use of technology etc. Wherever and whenever it is felt necessary that existing system needs any change the same may be brought to the knowledge of the management so that it can be considered for implementation.

Vigilance is meant not only for making the society corruption free but also to make the society aware of their responsibility to practice integrity at individual level and to ensure that there is no exploitation or impairment done to the society and organization.

Being Vigilant is indispensable condition to progress for the society, organization and nation as a whole.

I once again congratulate all for carrying out this Vigilance awareness week program with much enthusiasm and wish that the same may be extended all throughout the year.
