## Appeal to Cotton Farmers

The Cotton Corporation of India Ltd (CCI) is a nominated nodal agency of Government of India for undertaking procurement of Cotton under Minimum Support Price (MSP).

In Cotton season 2020-21, CCI has opened 440 MSP procurement centers at 140 districts in 11 cotton growing states under 15 branch offices.

So far CCI has procured 352 lakh quintals of kapas in a period of three months as against 130 lakh quintals in the corresponding period of last year. Current MSP procurement is around 300 % more than last year.

Due to unregulated heavy kapas arrivals in Market yards, the farmers are facing hardship and compelled to wait in long queues for days together in selling their produce and processing capacities are also under tremendous pressure.

Therefore CCI has requested district administration and APMCs to regulate kapas arrivals in market yards in such a way that FAQ kapas brought by farmers can be sold, weighed and billed on the same day so that farmers need not stand in long queues and do not face any difficulties in selling their produce.

CCI management makes an appeal to all cotton farmers to bring their produce to market yards in phased manner as per advice of respective APMCs.

CCI assures that it will remain present in market yards till 30th September 2021 and shall procure entire FAQ grade kapas from farmers. CCI is committed to all cotton farmers to save them from any distress sale. Therefore they need not sell their FAQ produce in hurry.
