CORRIGENDUM

With reference to the Expression of Interest (EoI) for registration of modern Ginning & Pressing factories for empanelment during cotton season 2026-27, invited on 17.06.2026, it is hereby informed that terms under the heading "Allocation of Work" has been revised which is as under.

Allocation of Work

Sr. No.	Existing	Revised
1.	Only those factories which are empanelled shall be eligible for submitting financial bids.	No Change
2.	L1 factory shall be considered for hiring. When more processing facilities are required at the centre then on need basis the L2/L3/L4 & so on, factory will be engaged provided they agree at the rates of L1.	Centrewise L1 factory shall be considered for hiring. When more processing facilities are required at the centre then on need basis the L2/L3/L4 & so on, factory will be engaged provided they agree at the rates of L1.
3.	In case if the other factories in the order of L2/L3/L4 & so on do not agree to do job-work on L1 rates, the next factory agreeing to work on L1 rates shall be hired for job-work processing. However, in case remaining factories do not agree to work on L1 rates and CCI needs more factories for meeting additional requirement of processing will go for rebidding through financial bid where in only empanelled G&P Factories can participate except those already engaged. It is clarified that the factories finalized in the subsequent financial bidding process will always remain in the second priority list in the order of L1/L2/L3, and so on.	In case if the other factories in the order of L2/L3/L4 & so on do not agree to do job-work on L1 rates, the next factory agreeing to work on L1 rates shall be hired for job- work. However, in case the empanelled factories in the order of L2, L3, L4 and so on do not agree to undertake the job work at the L1 rate and the Corporation requires additional processing capacity, the Corporation may engage the next willing empanelled factory, on need basis in the order of financial ranking, at agreed rates. The process may be followed without inviting fresh financial bids or undertaking re-bidding from empanelled factories. It is clarified that the factories finalized in the subsequent process will always remain in the second priority list in the order of L1/L2/L3, and so on.
4	In case of identical rates, CCI will finalise G&P factories as L1, L2, L3 and so on in the highest to lowest order of weightage point obtained in Part IV of the registration form. Further, if	No Change.

	weights are equal between two or more factories, then the factories would be engaged in order of oldest Date of establishment/incorporation.	
5.	The factories should fill the parameters mentioned in part IV which shall be subject to the verification by CCI during survey. The factories should fill up all the information in part IV. Weightage will be considered as zero for the unfilled items.	No change
