शुद्धिपत्र/CORRIGENDUM

With reference to the Expression of Interest (EoI) for registration of Modern Ginning & Pressing Factories for empanelment during Cotton Season 2026-27, invited on **17.06.2026**, it is hereby informed that **Allocation of Work Point Number 02 and 03 should be read as follows: -**

02. Centrewise L1 factory shall be considered for hiring. When more processing facilities are required at the centre then on need basis the L2/L3/L4 & so on, factory will be engaged provided they agree at the rates of L1.

03. In case if the other factories in the order of L2/L3/L4 & so on do not agree to do job-work on L1 rates, the next factory agreeing to work on L1 rates shall be hired for job- work. However, in case the empanelled factories in the order of L2, L3, L4 and so on do not agree to undertake the job work at the L1 rate and the Corporation requires additional processing capacity, the Corporation may engage the next willing empanelled factory, on need basis in the order of financial ranking, at agreed rates. The process may be followed without inviting fresh financial bids or undertaking re-bidding from empanelled factories.
It is clarified that the factories finalized in the subsequent process will always remain in the second priority list in the order of L1/L2/L3, and so on.

All other terms and conditions of the EoI shall remain unchanged.
